POSTSCRIPT. FROM EUROPE.

amendment shall have been adopted, and each prescribed State shall have ratified it, but it is quite certain that the amendment will not be ratified by three quarters of the States and, therefore, that it will not be adopted. Some, perhaps many of the Northern States, will reject it, and cannot expect to have its legal ratification by any of the lately insurrectionary States. If there were no reason why the Southern States will reject it, it is enough that it proposes to disfranches nearly all the une lit the South who have inthuence over the masses of the people. If none were to be pisfranchised except officers of the rebet army, we still, could not expect South to adopt, for a large majority of the men in the south of the people. If none were to be pisfranchised except officers of the rebet army, we still, could not expect South to adopt, for a large majority of the men in the south who have majority of the men in the south who have inthuence over the masses of the people. If none were to be pisfranchised except officers of the rebet army, we still, could not expect South to adopt, for a large majority of the men in the south who have made as a subject of the rebet army, we still could not expect South to adopt, for a large majority of the men in the subject of the rebet army.
